Category: Blog Content

Prompts for planning, drafting, and optimizing long-form content.

Prompt 1: Blog Post Outline Generator

> Act as a senior content strategist. Create a detailed blog post outline for the topic: [TOPIC]. Target audience: [AUDIENCE]. Include: 1) A compelling hook/opening, 2) 5-7 main sections with subpoints, 3) A conclusion with a clear CTA, 4) Suggested word counts per section, 3 internal linking opportunities, and 3 SEO keywords to naturally weave in.

Prompt 2: SEO Blog Introduction

> Write a 150-word introduction for a blog post titled '[TITLE]'. Include the primary keyword [KEYWORD] within the first 100 words. Use a problem-agitation approach. Target audience: [AUDIENCE]. Tone: [TONE — e.g., professional, conversational, witty].

Prompt 3: Blog Conclusion with CTA

> Write a conclusion paragraph for a blog post about [TOPIC]. Summarize the 3 key takeaways, include a compelling call-to-action for [OFFER/SIGNUP], and end with an engagement question. Word count: 100-150 words.

Prompt 4: Blog Title Generator

> Generate 10 click-worthy blog post titles for the topic [TOPIC]. Include: 3 how-to titles, 3 listicle titles, 2 question-based titles, and 2 curiosity-driven titles. Each title should be under 60 characters and include the keyword [KEYWORD] where natural.

Prompt 5: Blog Meta Description

> Write 3 meta descriptions (150-160 characters each) for a blog post titled '[TITLE]' about [TOPIC]. Include the keyword [KEYWORD] in at least one. Make them compelling enough to earn clicks from search results.

Prompt 6: Content Gap Analysis

Act as an SEO content strategist. I'm creating content for [NICHE/INDUSTRY]. Analyze these competitor URLs: [URL1], [URL2], [URL3]. Identify 5 content gaps — topics they haven't covered that I should create content around. Rank by search volume potential.

Prompt 7: Blog Post from Bullet Points

Expand the following bullet points into a 1,500-word blog post. Maintain a [TONE] tone throughout. Add transitions, examples, and a strong conclusion. Bullet points: • [POINT 1] • [POINT 2] • [POINT 3] • [POINT 4] • [POINT 5]

Prompt 8: FAQ Section Generator

Generate an FAQ section with 8 questions and detailed answers (80-120 words each) for a blog post about [TOPIC]. Base these on real 'People Also Ask' style questions. Include schema-markup-ready formatting (question as H3, answer as paragraph).

Prompt 9: Blog Update & Refresh

I have an existing blog post from [YEAR] about [TOPIC]. Here's the current content: [PASTE CONTENT]. Refresh this post for 2026: update statistics, add new insights, improve the intro, add a section on [NEW DEVELOPMENT], and suggest 3 new internal links.

Prompt 10: Long-Form Research Brief

Create a detailed content brief for a 3,000-word guide on [TOPIC]. Include: target keyword, 5 supporting keywords, search intent analysis, suggested H2/H3 structure, 3 expert quotes to source, 5 statistics to find, competitor content to review, and recommended word count per section.

Prompt 11: Blog Post from Interview

> Turn this interview transcript into a polished 2,000-word blog post. Maintain the interviewee's voice while improving flow and readability. Add an introduction, subheadings, and a conclusion. Source: [PASTE TRANSCRIPT].

Prompt 12: Content Upgrade Generator

> Create a content upgrade (lead magnet) idea for a blog post about [TOPIC]. Include: title, format (checklist/template/cheat sheet), 3 key points to cover, and the opt-in CTA copy. Make it directly relevant to the post.

Prompt 13: Blog Series Planner

> Plan a 5-part blog series on [TOPIC]. For each post: title, target keyword, main argument, and how it connects to the next post. Include an overarching narrative arc.

Prompt 14: Internal Linking Strategy

> Analyze my existing blog posts: [LIST TITLES/URLS]. Suggest 10 internal linking opportunities between them. For each: source post, target post, and recommended anchor text. Prioritize by SEO impact.

Category: Social Media

Prompts for crafting engaging posts, threads, and captions across platforms.

Prompt 15: Twitter/X Thread Generator

> Write a 10-tweet thread about [TOPIC]. Hook the reader in tweet 1 with a bold claim or surprising stat. Each tweet should be under 250 characters, end with a curiosity gap or transition, and the final tweet should include a CTA. Number each tweet.

Prompt 16: LinkedIn Post Generator

> Write a LinkedIn post (1,300 characters max) about [TOPIC]. Use a personal story hook in the first 2 lines. Include line breaks between every 1-2 sentences for readability. End with a question to drive engagement. Target audience: [PROFESSIONAL AUDIENCE].

Prompt 17: Instagram Caption Generator

> Write 5 Instagram caption options for a post about [TOPIC/IMAGE DESCRIPTION]. Vary the lengths: 1 short (50 words), 2 medium (100-150 words), 2 long (200+ words). Include 5 relevant hashtags for each. Tone: [TONE].

Prompt 18: Social Media Content Calendar
